

The 47th Meeting of the New Hampshire/Vermont Ethics Committees

Responding to Racism and Bias in the Clinical Encounter

Monday, April 2, 2018 | 12:30 pm - 4:30 pm
Dartmouth-Hitchcock Medical Center, Auditorium G, Lebanon, NH

Overview

What happens when a patient or their family makes a request for a healthcare staff member of a particular race?

How should a staff member respond when a white patient demands that a white healthcare staff member provide care?

This bioethics workshop, inspired by recent publications, such as "When a Family Requests a White Doctor" by KL Reynolds in *Pediatrics*, will involve reflection and discussion about considerations healthcare providers face when working with patients who request staff members of a particular race.

Keynote Speakers:

- Stephanie White, MD, FAAP - Diversity Liaison for Student/Resident Advising, Geisel School of

Medicine

- Tiffany Delaney, MA.Ed. - Director, Office of Diversity and Inclusion, University of Vermont
- Margaret Tandoh, MD - Associate Dean for Diversity and Inclusion, University of Vermont

Please note, lunch will be served from 12:30-1:00 pm, and the program will begin at 1:00 pm.

Registration

Registration is online and by credit card only. The registration fees are as follows:

- D-H and [Affiliates](#) Employees and D-H and Affiliates Ethics committee members as well as UVM Ethics committee members can attend at no charge (pre-registration required for planning purposes)
