Kimberly Paul, End of Life Podcaster, Author and Speaker,
with 17 years of hospice service,
will be presenting as part of her

National

Bridging the Gap Between Us and Those We Serve

If we can recognize the common factors, we, as healthcare providers,
can radically change the way individuals view, talk, and experience death.

Because death is not a medical event; it is a HUMAN event.

Tuesday, July 16, 2019

7:30-8:30 am MREMS on the Porter Campus

To reserve your spot or for more information,
