This program helps counselors and others working with bereaved persons to identify and examine transformative experiences these individuals may have in the wake of death loss.

Local Panelists for post-program discussion:

- ❖ *Janice Malin, MSW* is a therapist in Brattleboro, who specializes in geriatric counseling. She will address the psychological and emotional issues seniors face.
- ❖ *Dr. Richard Orlan, M.D* is a physician at the Brattleboro VA. He has 34 yrs. of experience and specializes in palliative and geriatric medicine.
- ❖ *Patty Dunn*, is the Hospice Program Coordinator at BAH. Her involvement with hospice care over the last 20+ yrs, has informed her awareness of the breadth of change and loss that elders live with and the impact it can have.
