

“WHAT MATTERS MOST?”

MASTERING GOALS OF CARE CONVERSATIONS

Improve your serious illness conversation communication skills at TalkVermont’s full day course for outpatient providers.

Our full day course features:

- ✓ An immersive, small group experience with simulated patients
- ✓ Skills to respond to high stakes emotions
- ✓ Frameworks for delivering serious news and discussing patient goals and values
- ✓ Deliberate practice with just-in-time feedback
- ✓ Palliative Care requirements for state licensing and 7.0 CME/CEUs

This course helps to strengthen communication skills with immediate results and promotes lasting improvement in the ability to provide honest, compassionate care for seriously ill patients and their families.
