

MOVE YOUR SERIOUS ILLNESS COMMUNICATION SKILLS FROM GOOD TO GREAT!

# COMMUNICATION SKILLS CHAMPION PROGRAM

This additional 15-week coaching series includes:

- ✓ Weekly virtual 75-min immersive small group coaching
- ✓ Consolidation of skills to respond to common challenges in serious illness discussions
- ✓ Continued reminders of key skills for delivering serious news and discussing patient goals and values
- ✓ Mock patient encounters with feedback from an expert coach
- ✓ Asynchronous practice activities on your own
- ✓ Palliative Care requirements for state licensing and CME/CEUs

Consolidate your communication skills to become a TalkVermont champion that promotes person-centered, compassionate care for seriously ill patients and their families.
