

# “WHAT MATTERS MOST?”

## MASTERING GOALS OF CARE CONVERSATIONS

Strengthen your communication skills with immediate results and promote lasting improvement in the ability to provide honest, compassionate care for seriously ill patients and their families.

Our virtual workshop series for outpatient conversations features:

- ✓ An immersive, small group experience with simulated patients via Zoom
- ✓ Skills to respond to high stakes emotions
- ✓ Frameworks for delivering serious news and discussing goals and values
- ✓ Deliberate practice with just-in-time feedback
- ✓ Asynchronous practice activities on your own
- ✓ Palliative Care requirements for state licensing and CME/CEUs
