Advance Directive Workshop

What is it?
A 2-hour step-by-step workshop reviewing each section of the VT Ethics Network Advance Directive Short Form. Learn what the form means, what decisions are involved and how to begin completing it with confidence. During this session, we will explore:

- What an Advance Directive is — and why it brings peace of mind
- Choosing a Health Care Agent
- Understanding medical decision-making authority
- Options for life-sustaining treatment
- Clarifying your personal values and wishes
- Organ donation preferences
- Legal requirements for signing and witnessing
- Practical tips and time for questions

Who facilitates it?
Jackie Vero, Hospice Volunteer
